Projects

[Metronome](#) ↗

A richly-featured audio application.

Built with **React**, **Tone.js**, and **Styled Components**.

[Recipe Box](#) ↗

A personal recipe application that stores the user's recipes in **local storage**.

Built with **React**, **Bootstrap**, and a custom **Webpack** configuration.

[Tic Tac Toe](#) ↗

The classic game, against an unbeatable, algorithmic opponent.

Built with **JavaScript** and **LESS**.
