<b>Front End</b>
Developer

Diverse

Created a series of internal eLearning courses for BAE Systems. Performed maintainance and added new features to the base components. The technologies involved included TypeScript, React, SASS, and Gulp.

July 2019 -Present

Interactive

Developed a WordPress eCommerce website for KickTown. Constructed a testing suite for the API supporting the website, application, and venue fixtures. Resolved minor issues with the API itself. All written in PHP.

## Education

**Front-End Development** Certification

freeCodeCamp.org

**Music Technology BSc** University of South Wales
